

Welcome to **WHOOOSH!**

A theatre show with actors and
music in a spaceship that you
can help us fly.

You will meet the captain and
the crew members of our
spaceship

Captain Zola

Bing

Flo

Phonic

You can join our
spaceship crew.

We will take our
shoes off before
entering our
spaceship.

Together, we will
blast off into space
and Whoosh across
the galaxy

You can help us fly
our spaceship.
There are so many
things to do.

You can taste some
SPACE FOOD from tiny
tubes like real astronauts

You can say

YES please or **NO thank you**

We will hear an alarm and
make an emergency landing on
a new planet.

On the strange planet there are
lots of things to touch, hear,
see and smell.

Together we will find a way
to safely Whoosh ourselves
back home

We hope that you enjoy
the **WHOOOSH!** show.

About the Company

Sensorium Theatre is Australia's only company making multi-sensory live shows specifically designed for young audiences with disabilities. Fundamental to the integrity of Sensorium Theatre's work is the belief that all children can be transformed and touched by exceptional theatre experiences. Such experience can generate and stimulate children's imagination, enabling greater creative responses in their lives and positively impacting on other learning areas.

Based in Perth, Western Australia, we have enchanted thousands of young people with special needs with the magic of live theatre since forming in 2010.
